Old Business

Discussion about having a neutral party mark the playoffs and finals. Due to all committee members potentially being in playoffs we need to have a list of interested parties to mark

Some volunteers thus far are – Dymphna (Danny Macs), Susan (Avenue), Carolyn (Katies), Joan (Heritage), Ann Ryan(Neds), Kathleen Hughes (Neds)

Also agreed that a male from a neutral team could mark

Committee Elections

Statistician Open Position – Lorraine Clifford volunteered – Carolyn (Katies) 1st, Joan Murphy (Heritage) 2nd --- Unanimous vote Welcome Lorraine!

New Business

2 New Teams – Bronx Ale House and The Tavern (Was Moriaritys)

Horse & Jockey (Kathleen's team) will have their full team away the first two weeks in April so they need to decide if they can make it work **Since meeting Kathleen is putting in a team out of the Burren Public House. – Sharon reached out to see if Horse and Jockey putting In a team**

Committee brought up suggestion

For a longer Winter Season since as it was very difficult for a lot of teams to field a summer team. Plus, with the number of teams it gives the teams a chance to play in each

bar.

Also – Move Playoffs back to Wednesday / Wednesday as the Wednesday/Thursday format was met with opposition as it was difficult for work schedules.

Start season on October 8th

Play Each other Twice

Potentially Season will end about May 13th

Potentially Playoffs will start right after end - May 20th

This was unanimous vote

Ann Ryan brought up expanding the Gold division

Vote went up for the following

Gold 4 teams.	Gold 6 teams
Silver 6 teams.	Silver 4 teams
Bronze 4 teams.	Bronze 4 teams
6 votes	7 votes

Gold Final will go longer

All Make Ups will be done 2 weeks before the end of season – unanimous vote

Off Thanksgiving week, Off Christmas week, Off New Years week

Vote taken to play or not to play 3/18/26. 10. Votes for playing – 3 votes Not – We play on 3/18/26

Numbers of games needed will stay at HALF the number of weeks (example if 28 weeks then need 14 games)

Bartender will need HALF of that number

If the Bartender is male and one of the servers is on the team they can count, but only one server and they have to work on Wednesday

Discussion over C3 points being 80 in the rules , but not in Dart Connect... Nobody is certain why the rules are stating 80

After much discussion – Dymphna (DM) suggested we change points to match what Dart Connect shows.. Everyone seconded. – Lorriane Clifford will inform the captains

Since the meeting – Lorriane confirmed Dart Connect as below

Dart Connect is:

C3 - 100 pts

C4 - 125 pts

C5 - 150 pts

C6 - 180 pts.

Discussed and voted to keep the 50 pts in the rules for a Win in Singles 501

Grace Period was discussed as a particular team kept a lot of teams waiting for too long on match night... Rules state that 7-pm start,, 7:20 grace period

You can start match with two members, if not previously communicated between the captains if a team doesn't have 4 members by 8pm the match will be forfeited.

If an incorrect name is put into Dart Connect and it is noticed during the game name should be changed to correct thrower. If for some reason name cannot be changed please reach out to Statistician to make the change on the back end.

SUMMER LEAGUE

Since the winter league will go longer there will be no formal summer league however

We are open to options to keep game play going some suggestions so far

Go with format of Southern Westchester League – 4 players make a team (you can have more on roster)

4 singles, 4 double crickets, 4 double 501

Another option set up a singles league

Another option set up a tournament for a few weeks
